

Anna M. Knight, MD
Oncologic Breast Surgeon

To: All Comprehensive Breast Health Patients

From: CBH Provider and Staff

Subject: No-Show Fee Policy Effective Immediately

Date: 11/01/2023

Comprehensive Breast Health is implementing a no-show fee policy, effective immediately.

As a courtesy to our patients, we attempt to text the patient/guarantor for an appointment reminder the day before your appointment. Calls for appointment reminders are not guaranteed, and the fee is not waived if an appointment reminder is not made.

You will be charged a \$25.00 no-show fee for appointments not canceled/rescheduled via communication to the practice within 24 hours prior to appointment. These slots are important because of the nature of our patients. If you do not plan to attend your appointment, please be efficient in telling our staff.
